

CAP 2008

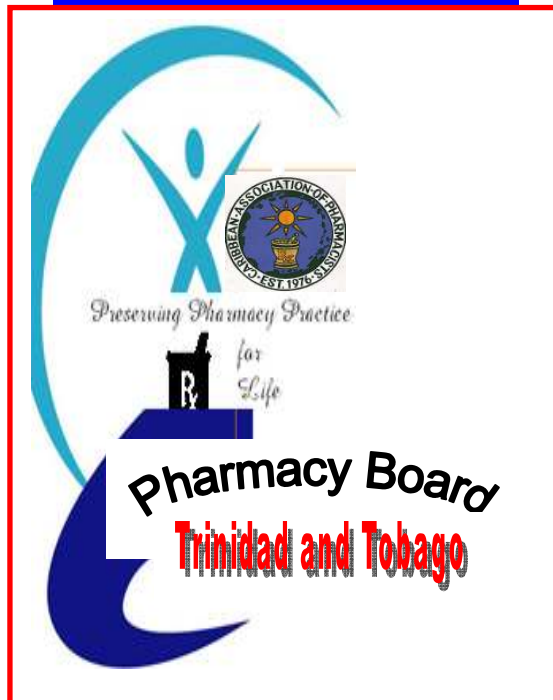

Second Announcement

Invitation to delegates and sponsors

Preserving Pharmacy Practice for Life

28th Annual Convention of
The Caribbean Association of Pharmacists estb 1976
in collaboration with
The Pharmacy Board of Trinidad and Tobago

C A P 2 0 0 8

*The Hyatt Regency
Beyond Extraordinary*

Your invitation to participate in our 28th Convention in Trinidad and Tobago

Ladies and Gentlemen:

This year our conference focuses on the importance of pharmacy practice to maintaining life. The theme also indicates our concern about the quality of life of humanity, including our own. In this regard, the programme offers a rich blend of continuing education and sessions that encourage self-development and relaxation.

There is a 1-day pharmacology workshop intended for our pharmacists who wish to upgrade to the Bachelor of Pharmacy degree. Pharmacists who completed part 1 in 2007 qualify for participation.

The CAP convention has a unique format and is the only one of its kind in the world. Continuing education plenaries are on a single track and pre-conference workshops offer sessions concentrated on areas professional interest with hands-on time.

Who will be attending CAP 2008?

The anticipated number of delegates is expected to exceed 400. Several pharmacists bring their entire family to vacation while they learn and network. The Hyatt Regency in Trinidad is the newest convention resort in the Caribbean and is a world renowned brand. It offers superior facilities and excellent rates on rooms for double occupancy. The target audience for this conference includes:

- ◆ Members of CAP from community, academia, hospital and administration
- ◆ Pharmacy Owners
- ◆ Pharmacists from the USA, Canada, Great Britain and Latin America
- ◆ Pharmacy Council inspectors, registrars and chairman with oversight over professional practice
- ◆ Caribbean researchers, educators, postgraduate pharmacy researchers
- ◆ Other health care providers and community based care givers

Caribbean Association of Pharmacists Convention 2008
